

Recruitment Incentive for Students

HELP SOMEONE

AND

(Help Yourself)

Bachelor's Degree Incentive

Each student in the PACE Program is being offered a wonderful opportunity to help a friend and at the same time help yourself. The challenge is for you to recruit your friends for the PACE Program. For every student you recruit, who enrolls in the PACE Program, you will receive a \$300 credit on your account. You will be eligible for this credit after the recruited student has completed his/her second course. There is no cash value for recruiting a student.

In order to qualify you must do two things:

1. If you recruit someone for the program, you must instruct that person to identify you as the reason that they have enrolled in the PACE Program.
2. The person you recruit must sign the statement below and turn it in to the PACE Office.

✂Cut here and give to the student you are recruiting.
